We are an independent provider, who understands the importance of consistently providing high quality care and education for all children from a secure, stimulating and welcoming base. We have well resourced equipment in a rich, friendly and accessible environment, combined with Early Years Practitioners who scaffold learning which raises outcomes for every individual. Children thrive when given opportunities to explore and Independently develop through play experiences. High levels of well being and involvement raises a child's self esteem and confidence.

Club 4 Kids Childcare has been operating since September 1993, providing care, education and safe play facilities for two to fourteen year olds. More recently we have expanded to accept babies from birth. We operate from three rooms and have three Separate outdoor learning environments providing lots of scope for physical, role play and risk taking opportunities.

For the convenience of our customers we operate between the hours of 8:00am and 5:30pm Monday to Friday for 50 weeks per year.

We provide healthy meals and snacks each day and cater for a variety of dietary needs

Children in our care are able to experience unique opportunities to grow and develop as independent individuals. Children progress to their next steps in their learning through practitioners planning, observing, scaffolding and supporting them.

GENERAL INFORMATION

Absences or changes to your child's arrival / departure times are to be notified by 9.30am on the day. This can be done by telephoning 07802 738256 / 07788 530381 or texting. Children must be collected promptly and the setting reserves the right to charge £5 if a parent / carer is more than five minutes late.

Parents must notify the setting if their child has been in contact with any infectious disease. If a child is unwell they must not be brought to the setting. If a child becomes ill during the day, a member of staff will contact the named contact and request that the child is taken home. Staff will not release your child to anyone other than those listed on their registration form. Should it be necessary for someone different to collect your child due to an emergency, the setting will request ID and will ask security questions.

Changes to any information given on these forms should be notified to the Manager or Deputies as soon as possible.

We operate a strict Non Smoking Policy

Records including photos may be held on computer, all information is held according to the GENERAL DATA PROTECTION REGULATIONS (GDPR) 25TH MAY 2018. If you do not agree to records being held this way, you should inform the Manager.

Personal items brought to the setting should be named. Club 4 Kids cannot accept responsibility for lost items. We have both employers and public liability insurance.

Policies and procedures are displayed in the settings main entrance lobby. A copy of these are available on request.

Guardianship. Due to child protection guidelines we would ask, for safety of all children, that Parent/Carers provide us with details of who has legal access to your child. By legal access we mean the main carer for children whose families may be in dispute over the child's care and have one or more relatives not permitted to see that child according to a court of law. We would ask that any foster families inform us, in writing, of any looked after children and who that child's legal guardian is. In any case that a family member is not allowed contact with their child, we would ask to see the legal paperwork that states this. Please speak to Kerry with regards to this.

Government Funding is available from the term following your child's third birthday. Funding is for 15 hours free early education a week for a maximum 38 weeks per year (term time).

We are also registered with KCC for the Free for Two Funding Scheme for eligible 2 year olds (15 hours). Parents should contact Kerry, the Manager of Club 4 Kids who will deal with all paperwork.

Building Partnerships with Parents

OFSTED August 2019 ~ "Outstanding"

At Club 4 Kids Childcare we value feedback from our parents/carers and we operate an open door policy which encourages parents to visit whenever they want to and to raise any concerns or suggestions for improvement that they may have with the nursery management team as and when they arise. We carry out a parental survey on an annual basis to evaluate the service we provide and share the results. We produce Newsletters keeping parents informed of the things that are happening.

At Club 4 Kids Childcare we promote and encourage parental involvement in each child's education and development. We work in partnership with parents and families to focus on the individual needs of each child in our care.

At Club 4 Kids Childcare we provide an exciting learning environment, inside and outside, for children to explore and investigate their surroundings. We build on the experiences that a child has already gained and through partnership with parents/carers we enhance and encourage independence in order for each child to develop to the best of their abilities.
